

Our Values

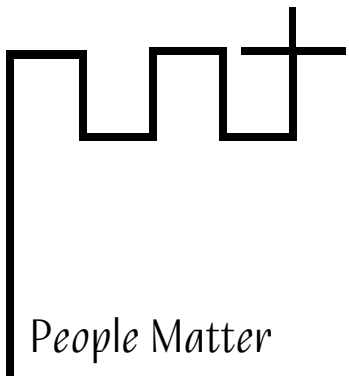

Jesus at the Centre

Jesus is the reason behind everything we do. We give God the glory He deserves and proclaim Jesus as Lord. We value a personal relationship with God our Father, through Jesus. We seek to be filled with the Holy Spirit in our worship, prayer, preaching and outreach to the community.

The Bible is our Guide

We are a people who are rooted in the truth of the Bible. We are an evangelical church, faithful to God's Word and rejoicing in the Good News of Jesus. We remember all of God's promises and seek to live out the obedience that comes from faith.

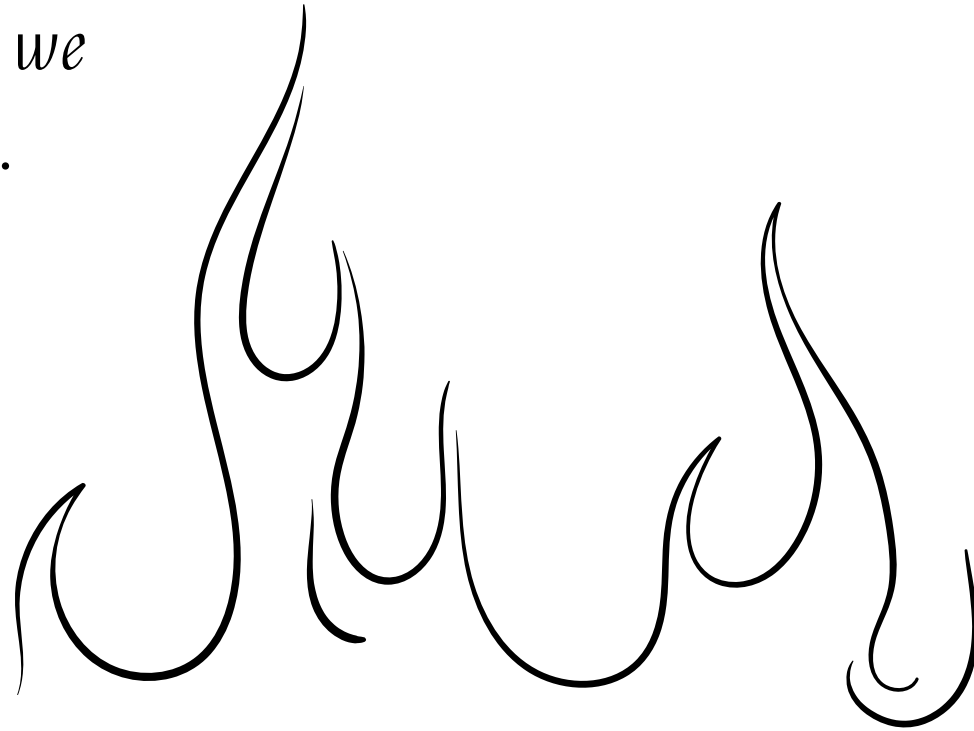

People Matter

You are welcome here! Whatever your age or stage of life, you are valued. Through the grace of God, we are growing together as disciples of Jesus. We aim to be a loving community, where we value keeping people safe and seeing lives changed through the power of Jesus!

Our Vision

*In the next 5 years we
trust God to be...*

*Changed by His Presence...
...with a passion for Discipleship*

Changed by His presence...

As a resource church, St. George's church must be totally reliant on God and constantly seeking his presence. We want our whole church to be marked with, empowered by and known for the presence of God. We need to actively listen to Him and obediently follow his ways, confidently exercising the gifts of the Holy Spirit. We want to respond to God's leading in how we can best resource from St. George's, equipping and releasing people from this Church to the wider church family across the world through the empowering work of the Spirit. We believe and will work with expectant faith for growth and great things, including the reviving of the whole church as we respond to God's leading over the next five years. We long to go deeper in our relationship with God and our worship of Him.

...with a passion for discipleship.

St. George's has a deep passion for people of all ages and stages, and we are committed to being a nurturing and supportive environment where everyone can thrive. We want to be prepared, both practically and Spiritually, for what God has for us over the next 5 years. If we are to become a church prepared for and expecting God to move powerfully, we know that we must be obedient to Jesus, who told us to make disciples. Disciples of Jesus follow Jesus, become more like him, and make other disciples. We are praying in faith for many people to come to salvation in Jesus, and we must get ready to make them into whole life disciples of Jesus. We will encourage personal growth and discipleship across all ages, equipping everyone to live the Christian faith boldly and authentically.

How will we do it?

This must start in prayer, so we are committed to providing a space and building a community of people who will pray 24/7, allowing the Holy Spirit to fuel everything we do.

We will prepare for growth in the size of St. George's, ensuring that we have the capacity and resources to welcome and nurture all who join our family.

This must flow into whole life discipleship, we therefore need the structures in place to enable Spiritual growth across the whole church family.

Through God's grace and leading, we hope to continue resourcing other churches from St. George's, to Stamford, the villages, the market towns and the ends of the earth.
