MINISTRY INTERNSHIP

September 2026 – July 2027

We are recruiting up to three young people to join our team as ministry year students.

St George's Stamford is a vibrant, all-age Anglican church, with a large weekly congregation and a flourishing young adults (18-30) ministry. We are committed to a clear vision and set of values: Jesus is at the centre, the Bible is our guide, and people matter. We seek to be a loving community that pursues God's presence, grows in discipleship, cares for one another, engages with the world in love, and celebrates God's goodness together. We are also a designated Resource Church in South Lincolnshire with the aim of supporting other churches to grow through revitalisation and church planting.

The ministry year will include opportunities for teaching, study, and hands-on ministry in a variety of settings including our youth and children's team, worship team, office and reception team, media and communications, schools work and Fresh Hope, our social action team. Every intern has the opportunity to focus in on one of these ministry areas. We would be particularly pleased to hear from any interns who can assist us with sound and production or digital communications and social media.

You will receive practical, on the job training from church staff as well as a teaching programme covering a number of core subjects including growing a deep life with God, our identity in Christ, the Kingdom of God & the ministry of Jesus, understanding and applying the Bible today, evangelism, leadership, character development and calling amongst others! Students will also be encouraged and funded to be involved with a significant ministry event, such as the New Wine summer festival.
